The event was a success with participation from the California Highway Patrol, Kings County Health Dept., Kings County Fire Dept., and American Ambulance. The booths were interactive and the children seemed to enjoy themselves while learning.

The group like the idea of having a potluck meeting in December. The meeting time was moved to noon and a sign-up sheet was passed around for those who would like to bring a dish.

 - We need participating agencies to sign-up to provide interactive stations. Darcy will email a list of booths that participated at Fresno's May Day for ideas.
