

Meeting Notes Wednesday, April 19, 2017

- Welcome and Introductions
- Announcements
 - CPST Training
 - CPST Training in Avenal was cancelled due to low registrations.
 - A Check-up Event is tentatively scheduled for Saturday, June 3rd.
 - The CPST Training will be re-scheduled for some time in the fall (possibly September).
 - GRACO Grant
 - The GRACO grant was awarded by Safe Kids Worldwide, the grant will allow us to hold at least two car seat check-up events between now and January 2018. Our aim is to serve a minimum of 100 families, providing seats to anyone that needs one, and our areas of focus will be Homegarden and Corcoran. There is no income requirement for the seats, the CPS Technician just needs to deem a new seat necessary.
 - In the next couple months we will be looking to partners to help recruit families for the events; the lead partners will be KCAO and Corcoran RAC, though we hope all organizations with technicians will participate.
 - The CPS topic committee will be helping to plan and implement this grant and other CPS efforts over the next few months; folks interested should talk to Juan Tafolla.
 - Safe Kids Worldwide Equipment
 - Darcy and Manuel gave a brief explanation of each station and associated giveaways. These materials are available to all Safe Kids Kings County participating agencies to use as they're out in the community.
